## HLTFA301B – APPLY FIRST AID

### Program Overview

NEED YOUR SENIOR FIRST AID CERTIFICATE? This unit of competency describes the skills and knowledge required to provide first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance.

### Award

On successful completion of the course, the participant will receive a Statement of Attainment, which is valid for three years. Please note; as per the Australian Resuscitation Council guidelines, HLTCPR201A - Perform CPR unit, needs to be completed annually.

### Elements

- Assess the situation
- Apply first aid procedures
- Communicate details of the incident
- Evaluate own performance

### Delivery

This program is delivered either face to face over two days, or is reduced to six hours if participants partake in the online or workbook theory assessment.

### Assessment Strategy

Assessment is both formative and summative, using a number of realistic scenarios to demonstrate competence. Students must demonstrate competency in all sections to qualify for a Statement of Attainment.

Skills in performing first aid procedures will be assessed through the **demonstration** of correct procedures, followed by **questioning**, to confirm essential knowledge. They will take place in a range of situations relevant to the workplace or community setting. A Theory Assessment may be completed either on-line or via a workbook requiring satisfactory completion of all questions.
